

2023 General Market Livestock Rules

Eligibility and Rules

1. To be eligible to sell a market animal, exhibitors must be a member in good standing with a 4-H club or FFA Chapter in Phelps County. Exhibitors may be asked to provide verification of membership standing.
2. Each exhibitor may show two (2) market animals of the same species but may only sell one. Each exhibitor may only sell two (2) species at the Phelps County Fair.
3. If your animal is selected as Grand or Reserve Champion, that animal **must** sell in the Junior Livestock Auction.
4. The Grand and Reserve Champion on Foot of each species will sell first. All remaining animals of each species will then sell based upon index score. Exhibitors with multiple animals of the same species, must sell the highest indexing animal.
5. All species except poultry and rabbits must be castrated prior to initial weigh-in.
6. **No re-weighs** of any market animal will take place at initial or final weigh-ins.
7. In order to sell a market animal, it must be shown in the market class arena within two announced calls for said animal except for poultry and rabbits.
8. No market animals may load out until 6:00 a.m. Sunday, August 6, 2023. Exhibitors are responsible for having pens clean by no later than 10:00 a.m. Sunday, August 6, 2023.
9. All market animals which qualify for the Junior Livestock Auction must be harvested.
10. All market animals must be completely **dry** at final weigh-in for ultrasound to be conducted. If an ultrasound cannot be performed, the index score cannot be calculated, and the animal will be sold at the end of the species sale order.
11. Any market animal entry that will be exhibited at the Missouri State Fair must notify the Phelps County Fair Livestock Committee no less than two weeks prior to the species initial weigh-in.

Depending on registration numbers of market animals, final weigh-in time/day may need to be adjusted and market animals that do not make minimum weight, will need to be sent home and not allowed to be on the fairgrounds. Furthermore, if the need arises due to lack of barn space, exhibitors with multiple same species of market animals may be required to only exhibit one animal
